

SANTA CLAUS IS COMING TO TOWN

Rent-A-Santa For Your Own Bespoke
Visit From Father Christmas

Bringing back the jolliness to Christmas 2021!

Father Christmas is back this season bigger and jollier than ever and you don't need to queue in a department store to see him. He will come to your home, office or party and give your family a memorable experience they will cherish forever.

Here in the North Pole Santa and his elves are busy preparing for Christmas all year round, making sure his belt still fits, the sleigh is sparkling, the bells are jingling, and your wish is well on its way.

Since 2009, we've been invited back time and again to such luxury clients as **Fortnum & Mason**, **Liberty of London**, **Soho Farmhouse** and **Claridge's**, and Santa is delighted to have teamed up with **Comic Relief** for "Sing with Santa" and to have entertained the children of military families for a Christmas party hosted by the **Duke and Duchess of Cambridge** at Kensington Palace.

We're looking forward to meeting you in person – indoors, outdoors or on your doorstep – and the Head of Elf Telecoms can even organise a meeting over Zoom for a live or recorded message to friends and family ALL OVER THE WORLD.

Santa has centuries of experience summoning the spirit of Christmas for all ages. As well as visiting your home, Santa and his elves have been invited to mingle and jingle for movie stars, premiership footballers, and rock'n'roll legends including Sir Paul McCartney.

Book early to avoid disappointment. Santa will be available for visits during the Christmas season right up until Midnight on New Year's Eve.
