"Just wanted to say thank you so much for once again, providing a magical Santa experience for our daughter, Herbie. You really do have the most amazing Santa. She took him a letter, he took the time to open it, read it, and chat to her about it. She came away absolutely buzzing that she had met the real Father Christmas. Thank you"

"By the way the Father Christmas was the best I've ever seen including Harrods - I'm certain he was the real one!"

"I just wanted to drop you a line to extend our thanks for such a wonderful day yesterday. We had a lovely family day and spent all our time exploring Fortnum & Mason. As always the Father Christmas was spectacular, the best I've ever seen. The quality of the storytelling experience is exceptional and second to none. My husband and I are keen to make this an annual tradition for our children. We feel very fortunate to be able to show our children such a magical festive experience. With thanks and very best wishes for the festive season"
